omer.fb.1234@gmail.com

Besiktas/Istanbul

Turkish: Native, English: Advanced

## PROFILE

I am a recent Software Engineering graduate from Bahçeşehir University with a strong passion for backend web development. I have solid experience in programming, database management, and web technologies, with a particular focus on creating efficient and scalable backend systems. Through my academic projects, freelance work, and internships, I have developed strong problem-solving skills and the ability to work effectively in collaborative environments.

## EDUCATION

**Bachelor's Degree** – Software Engineering (Full sch)
